COMFORT

Contemporary and clean in design we have incorporated our best-selling entry-level lines which are functional yet comfortable.

Our designers have cleverly combined grey textured Florence sofas, with oak and black furniture. A sophisticated glass dining table helps to create a light and spacious feel. The white gloss Macy bedroom collection combined with a soft and calm colour palette of accessories shows how it can be adapted for all property styles.

ODIN

With a hint towards Scandi, our clever use of wood finishes and colour variation add warmth and depth to the design.

The parquet tables are a stunning key feature. In the bedrooms, dark and light woods and hues of grey combine beautifully. Add vibrant accessories, scatter cushions and rugs that bring energy to the room.
